## WORK EXPERIENCE

Frontend Developer

Smartsites Nepal  
March 2020 - July 2023

1. Developed responsive and mobile-first web interfaces aligned with client branding and UX best practices.
2. Collaborated with UX designers and backend developers to create dynamic and user-centric web applications.
3. Integrated user feedback to optimise performance and improve user experience.
4. Ensured design consistency and accessibility compliance across browsers and devices.
5. Led the implementation of landing pages and website updates from concept through deployment.

IT Technical Officer

Genuine Secondary School  
Feb 2018 - Feb 2020

1. Provided technical support to staff and students, troubleshooting hardware, software, and network issues.
2. Maintained and monitored system performance to ensure uptime and security.
3. Installed, configured, and updated software and operating systems.
4. Managed the school website to ensure reliability and accessibility.

Frontend Developer (Intern)

Shiran Technologies (F1Soft)

1. Translated design mockups from Adobe XD/Figma into functional, responsive front-end interfaces.
2. Assisted in refining UI/UX layouts, colors, and interactive elements.
3. Wrote clean, reusable code under the guidance of senior developers.
4. Gained hands-on experience with JavaScript and front-end frameworks.

## Additional Highlights

1. Strong understanding of modern front-end development workflows and responsive design.
2. Committed to continuous learning and exploring new technologies in UI/UX and web performance optimization.
3. Excellent problem-solving skills and collaborative work style.
4. Gained hands-on experience with JavaScript and front-end frameworks.
